

# Nicola Bagga

I'm an enthusiastic Senior Designer with a proven ability to design & deliver creative solutions. I'm as happy conceptualising as I am detailing or attending meetings. I thrive under pressure & enjoy working /socialising as part of a team. As a manager, I believe in autonomy & empowerment; staff loyalty & commitment come from trust and support

- //MUSIC - Live music & finding new artists...any genre
- //COFFEE - I just don't function without it.

## OFF DUTY

## PROFESSIONAL EXPERIENCE

### 18-Pr KEANE BRANDS Senior Interior Designer

Growing out of the club culture of the 90's, Keane Brands have always had an edge. They look at things differently with a unique ability to think in the clouds but with their feet firmly on the ground. Working on numerous multi million pound projects, including a new F&B concept for Haven Holidays, Pop up concepts for multiple vendors and a number of concept/roll outs for high street operators.

### 12-18 SEA DESIGN GROUP Senior Interior Designer

Leisure & hospitality design, with a focus on branded casual dining venues. I management of a small team, working from concept to construction issue packages & project management. In addition to my design duties, I also managed recruitment & staff development. Role & projects include:  
*Lead designer for restaurant & hospitality sites & Lead creative for Beefeater restaurants; Charles Wells pubs across the UK & France; SEA's design studio; F&B design for Cardiff University & University of Kent*

### 10-12 SPENCER SWINDEN DESIGN Interior Designer

Occupied with the design of restaurant, pub & bar venues. Projects were conceptualised with a turn-key approach, 7considering interior design, branding, marketing & overall offer. Projects varied from 'sparkle' schemes to full shell fit-out, for clients such as Enterprise Inns, Punch Taverns, Pure Bar & Kitchen, Bitterz & Twisted Venues, JLR, and a number of valued independent clients.

### 09-10 SYNERGY ARCHITECTS Technologist/Designer

Working on a six month short-term contract as interior designer. Work included Interior Design within NS&i's London Offices, F&B areas for ETC Venues, as well as a number of primary school & hospital projects within the West Midlands.

### 07-09 ADAM ARCHITECTS Architectural Technologist

ADAM Architecture are world famous traditional architects, with a focus on classical detailing. My Role involved hand draughting & CAD design on a number of large, high value (£5mil+) residential projects, under Director, George Saumarez-Smith.
